Entry Requirement

- Students who are interested in attending Greystone College must have completed (graduated from) their final year of general schooling or GED, or have mature student status.
- In Toronto, students must be at least 18 years of age, and pass a superintendent approved qualifying test.
- All applicants whose first language is not English must demonstrate a Beginner 4 level of English with Greystone College's online written and speaking test.

The online written test and speaking interview are exempt if TOEFL iBT 35, IELTS 4 or ILSC Beginner 4 is presented. If an applicant fails to meet the minimum requirements, they cannot be waived by either the institution or the student.

Program Description

This program will prepare you for success in workplaces driven by customer relationships, providing a pathway to work in organizations such as restaurants, hotels, motels, clubs, pubs, cafes, coffee shops and retail stores. With this qualification, students will be able to specialize in areas such as accommodation services, food and beverage and retail, or put their diverse skills to support the needs of small businesses. Students will learn effective communication skills, how to manage conflict and handle customer complaints, how to work in a team, and how to build product and service knowledge in order to provide relevant information to customers.

Co-op Work Experience

This paid Work Experience placement is an integral part of the Co-op program. Students will apply the theories learned in class in real world work settings that are relevant to their field of study and align with the learning objectives of the program. Program Orientation and Pre-Placement classes will prepare you for finding a suitable placement. Throughout the work experience term, you will receive the support and guidance of a dedicated Co-op Coordinator who will work with you and ensure that you receive all the support that is needed to successfully complete the program.

	COURSE NAME	DESCRIPTION
ACADEMIC STUDY	WORKPLACE COMMUNICATION	In this workplace-centered course, students will develop communication skills for the workplace. Key workplace communication skills include gathering, conveying, and receiving information together with completing routine written correspondence.
	WORKING EFFECTIVELY WITH OTHERS	In this course, students will develop teamwork skills for the workplace. The course covers topics like working in a group environment, promoting team commitment and cooperation, supporting team members and dealing effectively with issues, problems and conflict.
	BASIC IT SKILLS—PRODUCE WORD PROCESSED DOCUMENTS*	In this course, students will learn how to correctly operate word processing applications to produce workplace documents.
	BASIC IT SKILLS—CREATE AND USE SPREADSHEETS*	In this course, students will learn how to correctly create and use spreadsheets and charts using industry-standard spreadsheet software.
	HOSPITALITY, TOURISM & TRAVEL INDUSTRY INFORMATION	In this course, students will gain the knowledge required to source and use current and emerging information on the hospitality, tourism and travel industry. Students will develop research skills in order to stay current on industry structure and technology issues and will integrate this essential knowledge on a daily basis to work effectively in the industry.
	PROVIDING INFORMATION AND ASSISTANCE	In this course, students will gain the knowledge required to provide customers with information and assistance on facilities, products and services. They will learn how to identify customer needs and how to build their knowledge base in order to provide relevant and helpful information.
	CUSTOMER INTERACTION	In this course, students will gain the knowledge required to deliver a fundamental customer service to both internal and external customers. Good customer service requires the ability to greet and serve customers and to respond effectively to customer service enquiries including routine customer problems.
	WORK PLACEMENT SKILLS	The course is divided into 2 sections, Work Placements Skills (WPS) 1 and 2. WPS 1 acts as an introduction to all the things you need to know about living and working in Canada and helps students through the process of applying for a tax file number (SIN). It also prepares students for the workplace by helping them to apply for jobs and ensuring their résumés and cover letters are to industry standards. WPS 2 prepares students for their Co-Op Work Experience and develops their networking skills.
CO-OP WORK EXPERIENCE	CO-OP WORK EXPERIENCE	During the co-op work placement, students will put their skills into practise in a local workplace in a position related to their specific program objectives. Students will be required to complete job tasks as assigned to them by the employer. In addition, students are required to provide regular feedback (monthly) on their placement experience to Greystone College using prescribed reporting forms.
POST PLACEMENT STUDY	THE NEXT STEP	This course follows up with students after their work placement. It provides the student with a new perspective of their goals and achievements and prepares them to take the next step when they leave the program.

**Basic IT Skills—Produce Word Processed Documents and Basic IT Skills—Create and Use Spreadsheets run together during the same session (Each course is half the normal course duration).*
