Program Description

Students who complete both the TESOL TKT Certificate, and the TKT–YL Certificate will earn the Cambridge TESOL Diploma. Graduates of the program will leave with the skills and knowledge required for teaching English to Adults and Young Learners.

TESOL TKT Certificate

4 weeks

The objectives of this course are to teach students the fundamentals of TESOL and to prepare students for the Cambridge Teaching Knowledge Test. Students who take this course will be more confident in presenting and giving instructions; and will be given the opportunity to lead ESL activities and observe an ESL class.

+ TKT Young Learners Certificate

4 weeks

Gain the knowledge, strategies and skills required to teach and engage young learners. TKT–Young Learners is ideal if you are an international teacher working, or intending to work, in the primary sector of education. Students will gain an understanding of lesson planning, different teaching strategies and learner assessment. The course includes 1 week of unique practical observation in day cares, pre-schools, or elementary schools.

MODULE 1	PART 1
Describing language and language skills, background and giving instructions	Knowledge of young learners and principles of teaching English to young learners

MODULE 2	PART 2
Planning and preparing lessons and selecting and using resources and materials	Planning and preparing young learner lessons

MODULE 3	PART 3
Managing the teaching and learning process and the classroom	Teaching young learners

OTHER COMPONENTS	PART 4
Observation, peer teaching, and developing presentation skills	Assessing young learner learning through classroom based assessment

What is TKT?

TKT is a test from Cambridge ESOL about teaching English to speakers of other languages. It aims to increase teachers' confidence and enhance job prospects by focusing on the core teaching knowledge needed by teachers of primary, secondary or adult learners, anywhere in the world. This flexible and accessible award will help you to understand different methodologies for teaching, the 'language of teaching', the ways in which resources can be used, the key aspects of lesson planning, and classroom management methods for different needs.
